Sir,

In forwarding herewith a copy of representation dated 29th December 1944 from Mr N Narasimhiah, a Temporary Maistry in this Office praying for the sanction of Government being obtained for payment of gratuity to him at the rate of one month's pay for each year of service at the time of his discharge from the office, I have the honour to state that Mr Narasimhiah was entertained as a Maistry in this Office in the year 1918 and has so far put in a continuous service of 26 years Being about 50 years of age at present he may continue in service for a few more years before he is finally discharged from this Office It is seen from the Baraward Register that between the years 1923 & 1933 he was taken to the regular establishment on several occasions for fairly long periods and that he has served for an aggregate total period of over six years in the regular establishment (Vide statement enclosed) He would have been continued in the regular establishment of the Board but for the Retrenchment ordered in the year 1931. As it is, his service in the Work Establishment does not entitle him to any pension or gratuity and he represents that when after a few more years of service he is discharged from work he will have nothing to depend upon and has to face utter starvation He has not only served in the Work Establishment for a long period but has also worked in the Regular Establishment for over six years Since he belongs to Backward Community he should have been provided in the Regular Establishment in subsequent vacancies after he was retrenched in the year 1931, but nothing has been done though his case was once or twice recommended to Central Recruitment Board Hence his application was placed before the Board at the Meeting held on 28th March 1945 and the Board after consideration of his case approved of the paymen of a gratuity to him at the rate of one month's pay for each year of service at

P T O

the time of his discharge A copy of the Board's Resolution is herewith enclosed for information of Government

2 The amount involved will be calculated at the time of his actual discharge from service Meanwhile the Government may kindly be moved to accord approval for the proposals of the Board to pay him gratuity at the above rate

Favour of early orders is solicited

I have the honour to be,
Sir,
Your most obedient servant,

Representation dated 29th December 1944 from Mr N Narasimh Temporary Maistry, City Improvement Trust Board, Mysore, to the Chairman, City Improvement Trust Board, Mysore

---

I the undersigned Temporary Maistry humbly beg to represe the following facts to your kind and sympathetic consideration -

I was appointed as a Temporary Maistry in the Trust Board Office on ₹ 15/- in the year 1918 and I have now put in a continuous service of 26 years in the Board and have been now drawing a pay of ₹ 27-8-0

I was appointed several times in the regular establishmen of the Board as Loan Clerk, II Grade Clerk etc , for an aggregat period of over six years as shown in the extract of the Bare Hand gister of the Trust Board enclosed to the application I would have been continued in the regular establishment but for the retrenchment ordered in 1931 when I was again reverted to work-establishment for want of vacancies in the regular establishment

I am now 50 years of age and have no other means of livel hood except the small pay I get as Temporary Maistry My servi in the work-establishment does not, as per existing rules entitl me for any pension or gratuity and I will have nothing to fall back upon after my discharge from the Trust Board Myself and m poor family will have to face starvation as we have absolutely n other means

I have spent all my youth and energy in the service of th Trust Board and it would indeed be very hard if I am to go empty-handed after serving my full term with nothing except starvation facing me and my family

I therefore humbly pray that my hard case may be sympathetically considered and a recommendation may be made to Government to grant at least a gratuity equal to one month's pay for every year of service so that I may have some little means to support myself and my family for some time at least after my discharge from the Trust Board

If in view of the fact that I was appointed in the regular establishment for over six years I could be taken to the regular

establishment of the Board for the remaining period of my service, I would feel highly grateful

In any case, I pray that considering the fact that I have spent all my active portion of life in the service of the Board a substantial remuneration to enable me to keep body and soul together after my discharge from service may kindly be recommended

For this act of kindness, I shall for ever be grateful to you
